Reference Letter

Our company specializes in renting holiday houses across the Czech Republic. We have a track record of more than 20 successful years both in the Czech market and abroad.

As we always strive to find new customers, we decided to expand our on-line presence to additional foreign websites.

The project was delivered in association with VČELIČKA s.r.o., which provided us with professional translations into the languages we required. As a result of these efforts, we have already expanded our customer base and we continue to win new customers every day.

We are very satisfied with the services provided by VČELIČKA s.r.o. and we especially appreciate their speed and willingness to help. We would like to thank VČELIČKA s.r.o. for their assistance, willingness and efficiency and we strongly recommend them to everyone who seeks translation services.
